Notan Reviewing

Privacy Settings screen with a header bar containing two dots. The screen contains three settings, each with a toggle switch:

- Private account ☐
- Age Restrictions ☐
- Show current Restaurant ☐

Privacy Settings

Featured Restaurants screen with a header bar containing two dots. It features a search bar and a filter button at the top. Below is a list of featured restaurants represented by horizontal lines. At the bottom is a "Surprise me" button.

food

Filter screen with a header bar containing two dots. It includes several filter options, each with a text input field:

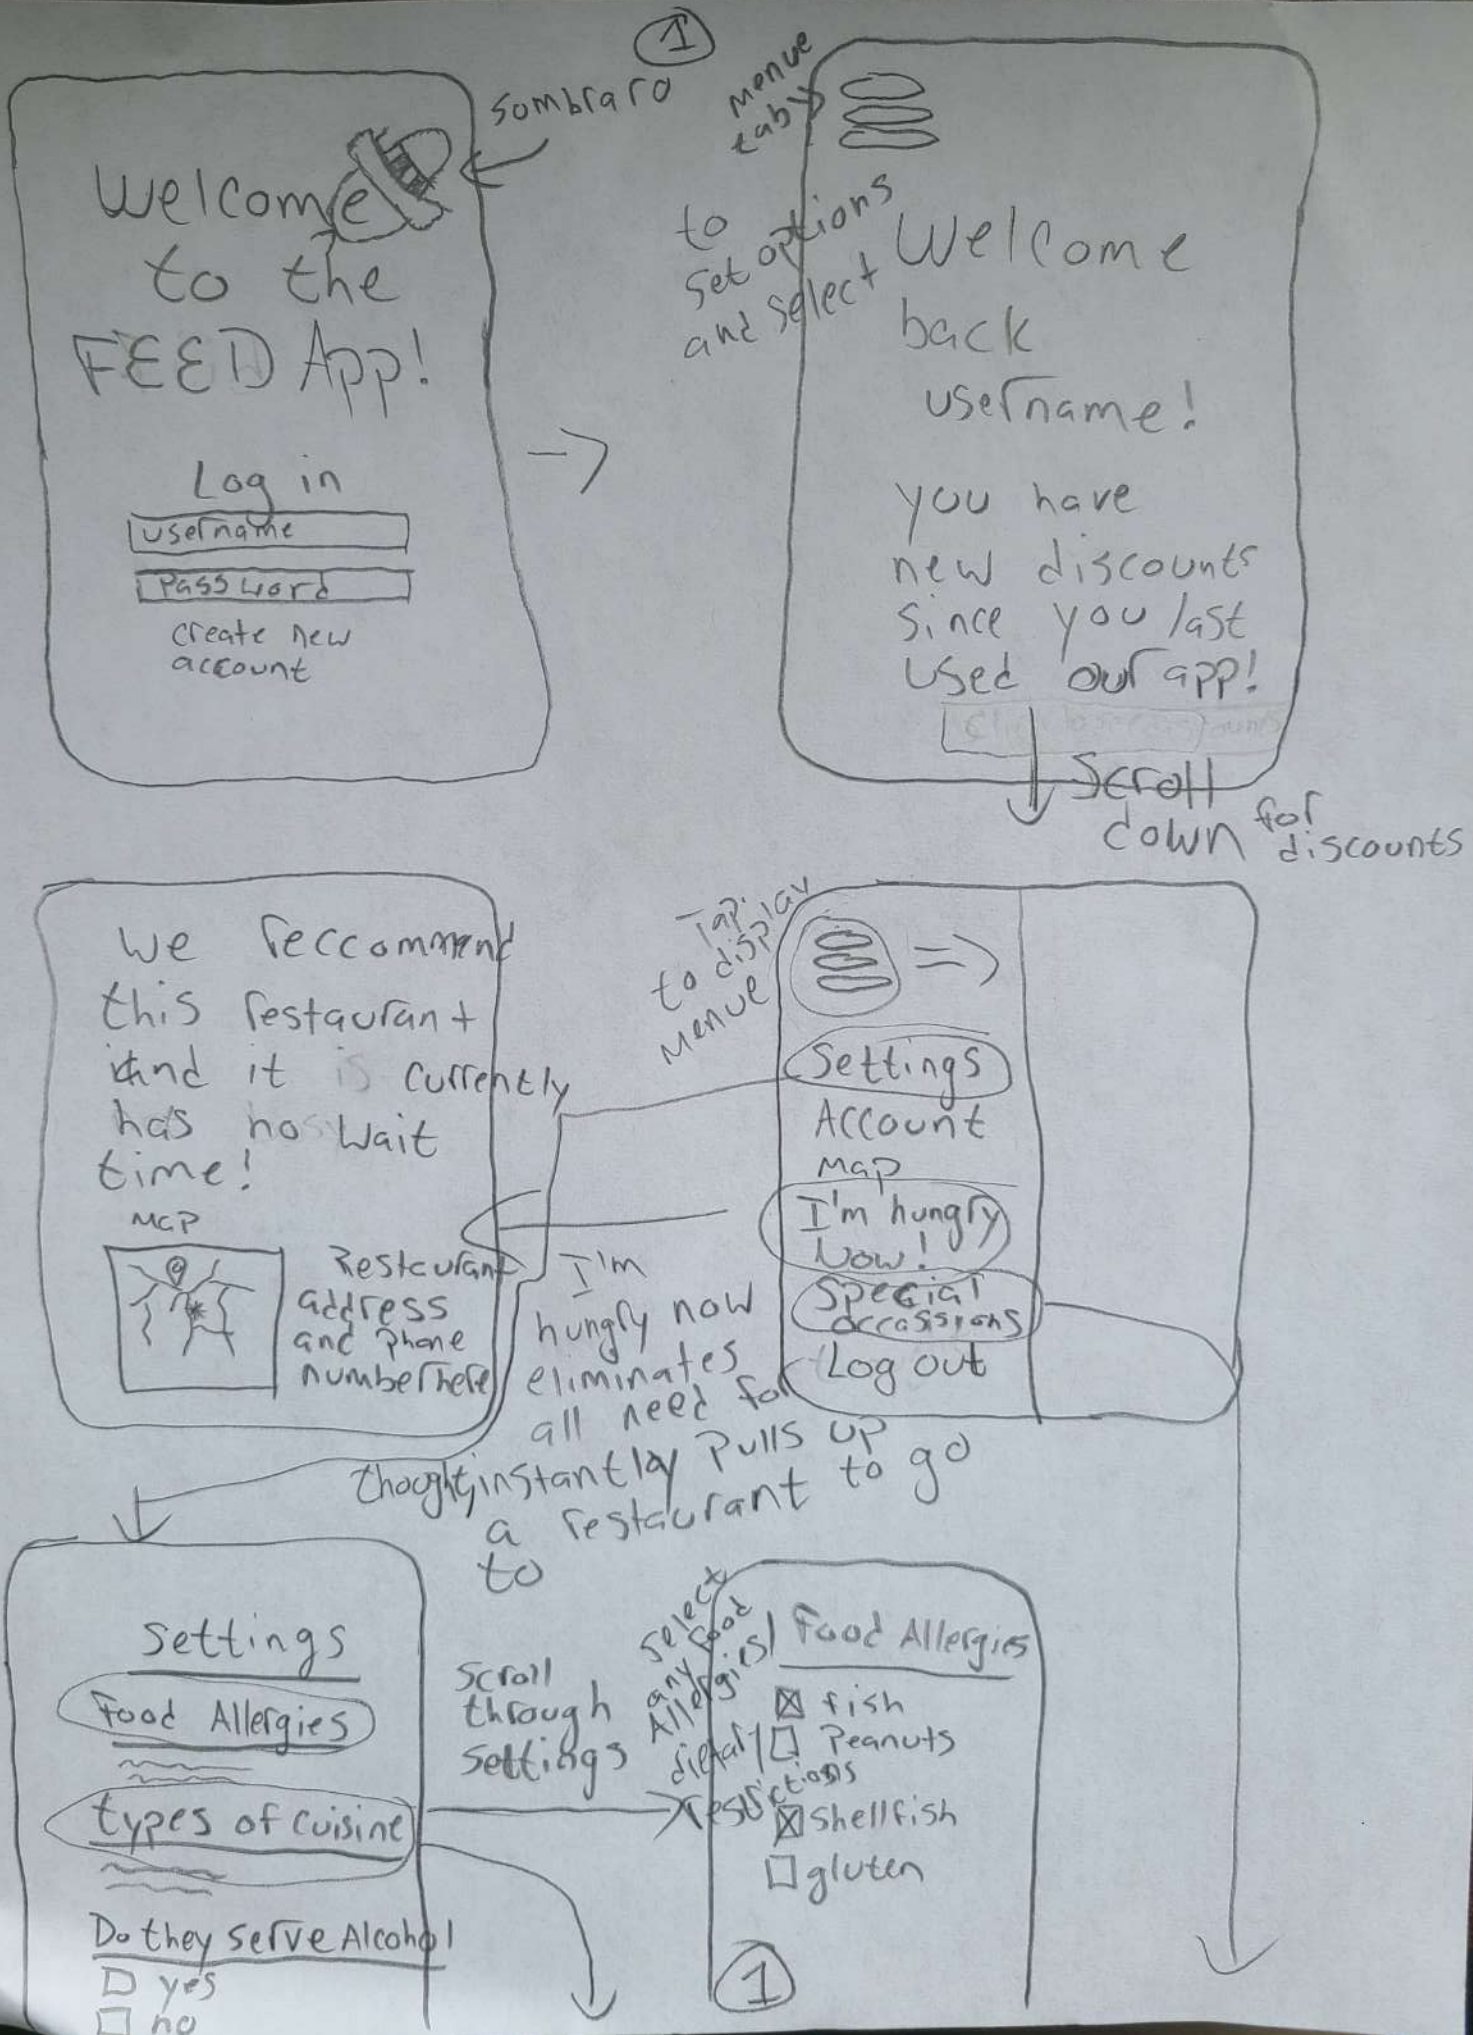

- max Distance
- max price
- \$
- excluded cuisines
- included cuisines

Filter

Restaurant list screen with a header bar containing two dots. It displays a table with four columns: Restaurant, Price, CUB Rating, and Distance. Below the table are four action buttons:

Restaurant	Price	CUB Rating	Distance

- Pick Random using filter
- order through delivery
- Try something new
- add to favorites
